

# Bike Brunch Parking Suggestions

## January 23, 2011

*Parking at Lowdermilk is extremely limited and very congested. Our suggestion is to ride your bike to the park. We can safeguard your possessions in your registration bags at NPC tent.*

If you do not have a local option to leave your car, there are several free options available :

1. The Bank of America has offered the use of their parking lot at no charge. It is on the west side of Hwy 41 directly across from the Coastland Mall. It is only 1/2 mile from Lowdermilk Park ride start. Please stay away from Publix/Walgreens business parking as these stores are open on Sunday. No meters in this lot.
2. If you get a space at the park or at any designated metered area, then we have parking stickers to put on your car dash. These will exempt you from fees for parking until 3:00 pm. These fee exemption stickers are available both on Saturday and Sunday at the registration tables.
3. Parallel parking is available along South Golf Drive as long as the parking space is in the public right of way. DO NOT PARK IN ANY SPACES SEPARATED FROM THE STREET OR CURB BY GRASS OR PLANTINGS.
4. DO NOT park at the private Moorings Beach Park or in the bike lanes. Thanks for your cooperation .
